OUR MISSION

We, at MBIS incessantly are milking a tireless venture to mould the character of the students and to make them resurrect through conscientious browsing. It is our constant endeavor to achieve the highest standard of excellence and prepare enlightened and responsible citizens for the 21 st century, equip our students to complete in the ever widening world of technology and at the same time have a deep commitment to Indian ethos and culture and become an instrument of change by spear-heading movements to promote peace , harmony environmental consciousness and care for the downtrodden. The school was established for the upliftment of the children by seeing the poor condition of education in the rural area. During the last 25 years of its journey, the school has aimed at for the overall holistic and integrated growth of children by providing quality results in class X and XII.

EXTRA-CURRICULAR ACTIVITES

Time to time, we organise extra curricular activities to horn up students' talent capacity and abilities . students participate in varied types of activities such as Mathematics/ Olympiad, Science Exhibition, letter writing Competition, Poster Making, Spelling competition, Drawing Competition, Essay writing, Fancy Dress Competition, Dance Competition and so many other competition like this.

ACADEMIC SECTION

Play Group and Primary Wing (Class N.C. to Vth)

The modern lower section has been established in the school to expose little wards in their pre learning experiences a judicious balance of physical, social, development of the children is ensured by the selected members of the staff who all well trained teachers. We provide special arrangement of english speaking.

MIDDLE AND SENIOR SECTIONS

The School follows the NCERT courses recommended by CBSE curriculum and follows all the compulsory subjects provided by the board. The students seeking admission has to under go an entrance test before admission which has to qualify. The School offers stream of Science and Commerce the students where the Minimum requirement for Science and Commerce.

Subject offered are -

Science Stream

- English Core
- Physics
- Chemistry
- Biology
- Mathematics
- Hindi
- Physical Education

Commerce Stream

- English Core
- Accountancy
- Business Studies
- Economics
- Hindi
- Physical Education

GAME AND SPORTS

Sports play is a significant role in strengthening bonds among the students. Here children have the potential of becoming the great sports persons. In modern era, sports stand in the larger geo-political power and world play. Our school gives a zeal to the students to become active in sports. The game facilities include Indoor and Outdoor sports like Badminton, Volleyball, Football, Kho-Kho, Athletic, Chess, Carrom, Cricket, Handball etc. The school organises a number of Inter House Competitions during the academic year.

LIBRARY

Our School has a well stocked library. Reading is wonderful habit. It is a place where we can sit and read books. Students gets the treasure of knowledge here. If students want, they can get books issued on their names. Our library is a quiet and calm place. Students spend their valuable time in reading instead of wasting it to and fro. Library is a store house of some of the most master pieces in English and Hindi. The collection is replenished from time to time, thus making the place the most favourite destination for most students. our library contains more than 3000 books of all spheres. It is the nerve centre of all the academic and intellectual activities of the institute. The institute has an excellent library that is well-equipped with books, magazines, periodicals and research journals.

LABORATORY

The school shares the vision, "The more I see , the more I Learn , " Hence, we emphasize strongly on the practical demonstration of scientific concepts practically in the physics. Chemistry , Biology, Maths Labs. The vivid practical conducted in the well maintained labs decked with modern and safe equipments make learning easier for the children and sharpen their scientific skills.

COMPUTER LAB

Computer knowledge is a basic need for today's children. Computer Lab with modern aids has been arranged by MBIS where students try their best to enter in modern and scientific ara. The new Technological devices enhance the pace of learning and the horizon of understanding.
